Mentor to the Small Business I.T. Community

## Some Recent Engagements and Feedback . . .

### ♦ Microsoft Worldwide Partner Conference

“It was definitely worth the day! I think I took 6 pages of notes. I picked up some good info. I marked about 5 items for further research.”

— Tom McKay

### ♦ Small Business Technology Networks

“Outstanding Presentation!! Karl was everything advertised — lots of content, a great style, simple but effective rules, plenty of personal experience. A real pro!”

— Barry Schoenborn

### ♦ Managed Services Provider University

“I’m not gonna lie...it’s \*exactly\* what I needed to hear! Thank you SO MUCH for presenting so much useful info; now I have to completely redo my business plan.”

— Bill Hagen

### ♦ SMB Nation

“Thanks Karl! Awesome Seminar! This will change the way I sell and implement projects. You are the man!”

— Alex Rodriguez
